The library is open to everyone.

We have books in different languages for adults and children. We also have newspapers, magazines, language courses, community information, music, films, public computers, and more.

There is no charge for borrowing books.

You will need a library card for borrowing books and other materials, so sign up for your free card.

The normal loan period is 4 weeks, but there are shorter periods for certain items. Always check your receipt!

You are responsible for the material you borrow. We charge overdue fines for late returns and replacement fees for lost or damaged material.

Ask the staff if you cannot find what you are looking for, such as a book in your language. We are often able to purchase books not held in the library stock, or obtain them from other libraries via our interlibrary loan service.

Visit our website! Here you can search for books in our catalogue, renew your books, check your loans, reserve books, etc.
